COMPANY OVERVIEW

Apex Technical Supplies, a division of Apex Gulf Trading LLC, was established in the year 2010 in Dubai, United Arab Emirates.

With a strong commitment to quality, innovation, and customer satisfaction, Apex Technical Supplies has become a trusted name in the supply of industrial and technical products, catering to diverse sectors including construction, oil & gas, manufacturing, and infrastructure development. Our strength lies in our dedication to professionalism, our deep understanding of the local market, and our ability to respond quickly to client demands.

At Apex Technical Supplies, we believe that long-term partnerships are built on trust, performance, and a relentless pursuit of improvement.

We don't just supply—we deliver value, reliability, and a commitment to being the best in everything we do.

OUR SECTORS

Apex Gulf Trading LLC is a dynamic supply company serving a diverse portfolio of construction-related businesses across the United Arab Emirates. Our subsidiaries proudly support a wide range of clients, including government agencies, private-sector organizations, and the general public through our established retail operations.

We have built a strong foundation rooted in reliability, quality, and customer satisfaction. Our integrated approach to supply chain solutions has positioned us as a trusted partner within the construction industry.

While our impact in the UAE has been significant, we are not content to stop here. As a group of construction-focused companies, we are actively pursuing opportunities to expand our footprint on a global scale. Our strategic growth plan includes opening new branches and establishing innovative divisions in key international markets.

We are driven by a commitment to excellence and a desire to bring our expertise, values, and industry-leading practices to new regions around the world.

HVAC

Apex Technical Supplies delivers high-quality HVAC solutions with a strong emphasis on energy efficiency and performance. We provide dependable heating, ventilation, and air conditioning systems, supported by expert guidance and responsive customer service.

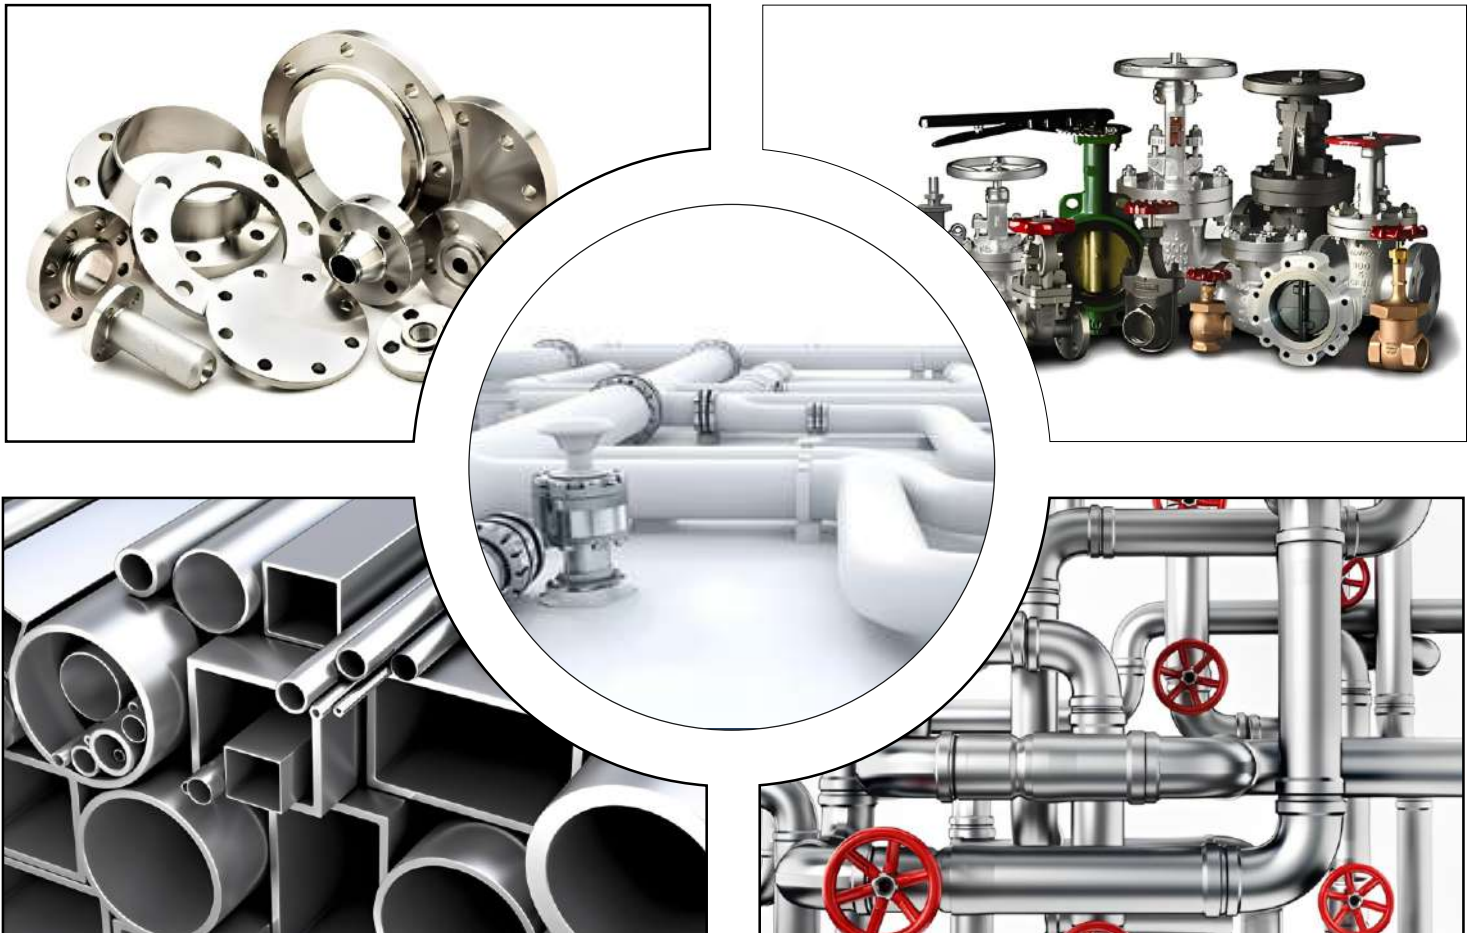

- ▶ Split & Package Air Conditioners
- ▶ Ducting, Diffusers, Dampers & Grilles
- ▶ Axial fans & Insulation
- ▶ Evaporative Coolers
- ▶ Thermostat & Controls Systems
- ▶ Air vents & Exhaust Systems
- ▶ Cooling & Explosion Proof Fans
- ▶ Blowers & Condensers
- ▶ Oil & Refrigerant

PIPES & VALVES |

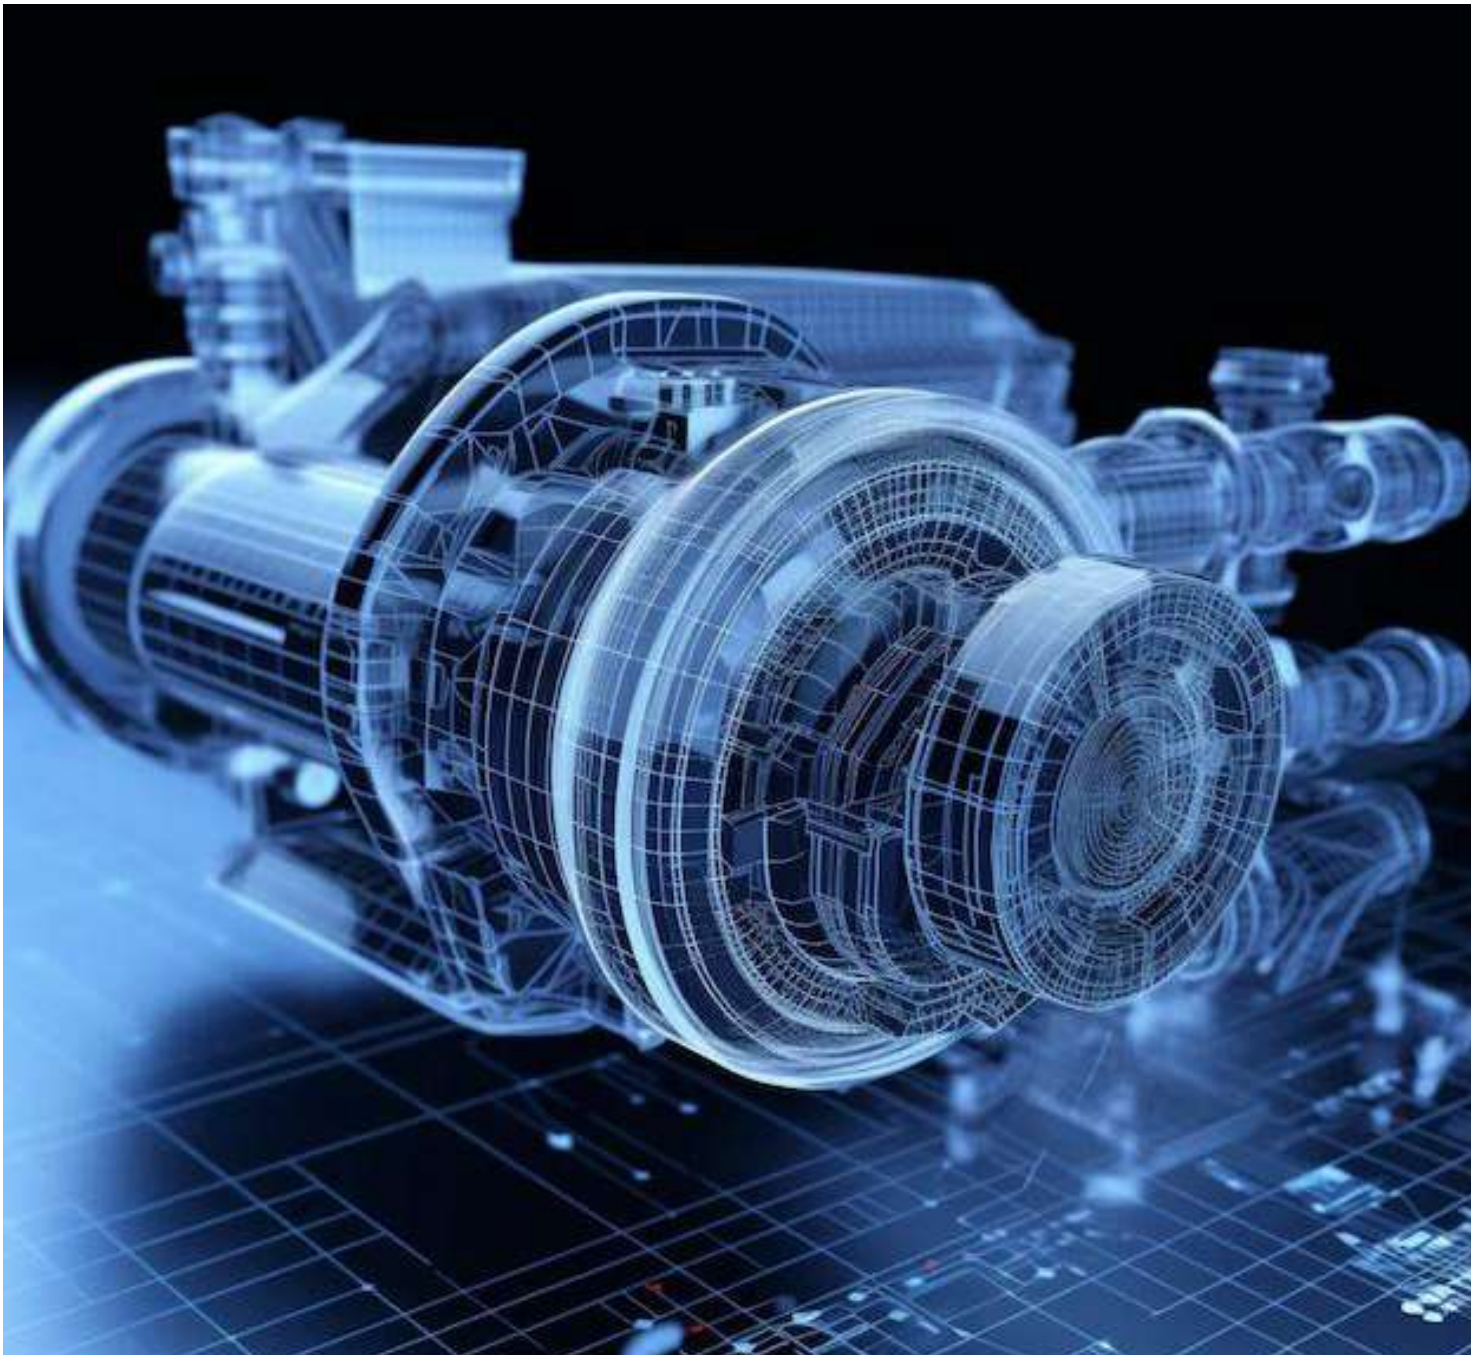

Apex Technical Supplies specializes in providing high-quality piping and valve solutions to various industries. We offer an extensive selection catering to diverse industrial applications.

Count on us for expert support and a seamless supply chain in the pipes and valves industry.

- ▶ SS,CS & GI Pipes
- ▶ Black Steel, Mild Steel Pipe Fittings
- ▶ CS, CI & SS Valves
- ▶ Threaded/Socket Flanges & Gasket
- ▶ Safety & Pressure Relief Valve
- ▶ Forged Steel Butterfly Valve
- ▶ Cam & Groove Couplings
- ▶ Clamps & Pressure Hoses
- ▶ Solenoid Valve & Pipe Nipples
- ▶ Globe & Flanged Ball Valve
- ▶ Bronze & Brass Y Strainers
- ▶ Gate Valve & Check Valve

PUMPS |

Powering Performance with Precision

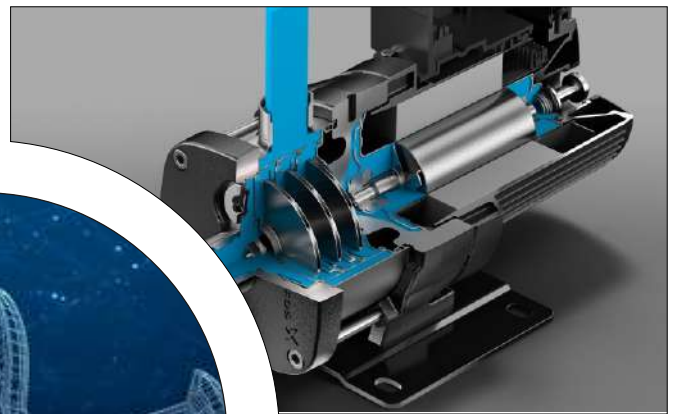

At Apex Technical Supplies, we specialize in delivering high-quality pumping solutions engineered for maximum energy efficiency, reliability, and performance. Whether you're operating in industrial, commercial, or specialized applications, our systems are designed to minimize downtime, reduce operational costs, and meet the most demanding performance standards.

Why Choose us?

- Proven energy-saving technologies
- Durable, high-performance components
- Customizable systems tailored to your needs
- Expert support from selection to installation

Efficient. Reliable. Built to Perform.

Partner with Apex Technical Supplies — where smart engineering meets dependable service.

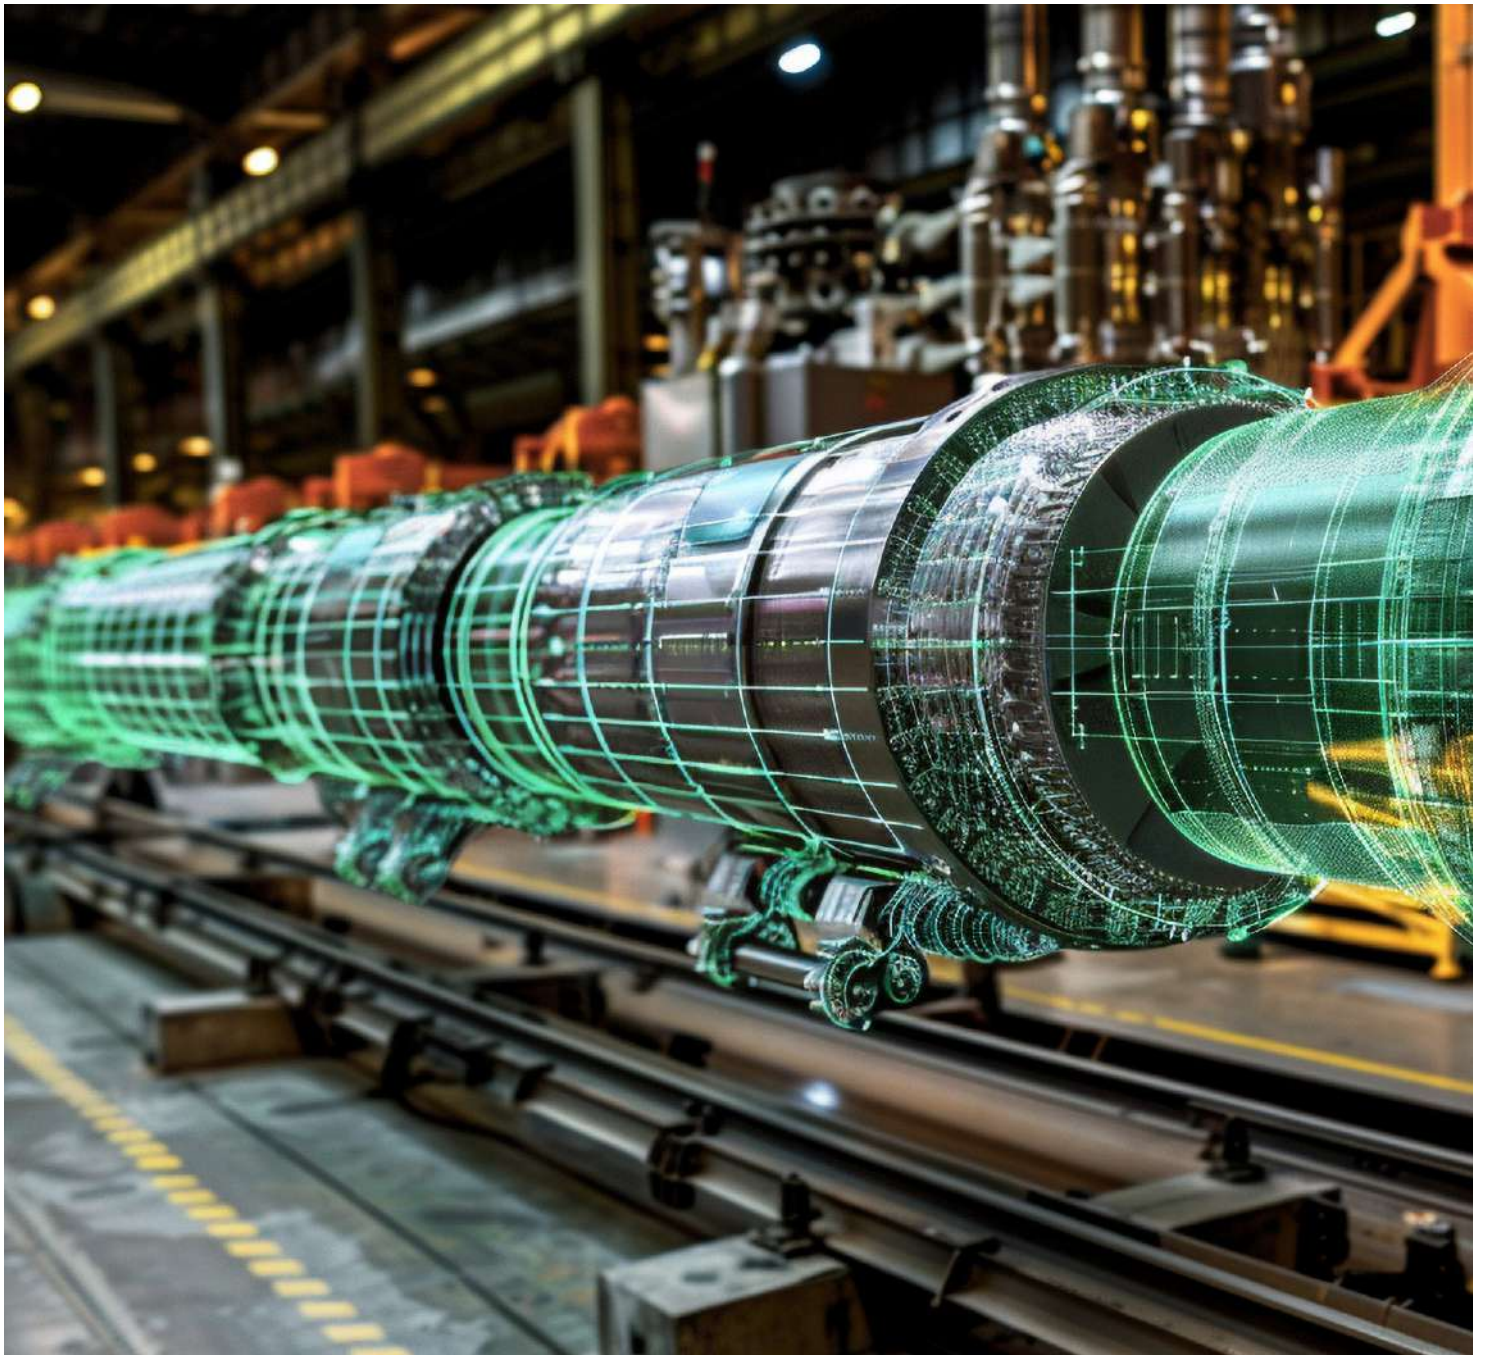

- » Centrifugal Pumps
- » Diaphragm Pumps
- » Gear Pumps
- » Hydraulic Pumps
- » Jet Pumps
- » Lobe Pumps

- » Magnetic Drive Pumps
- » Metering Pumps
- » Peristaltic Pumps
- » Piston Pumps
- » Propeller Pumps
- » Rotary Pumps

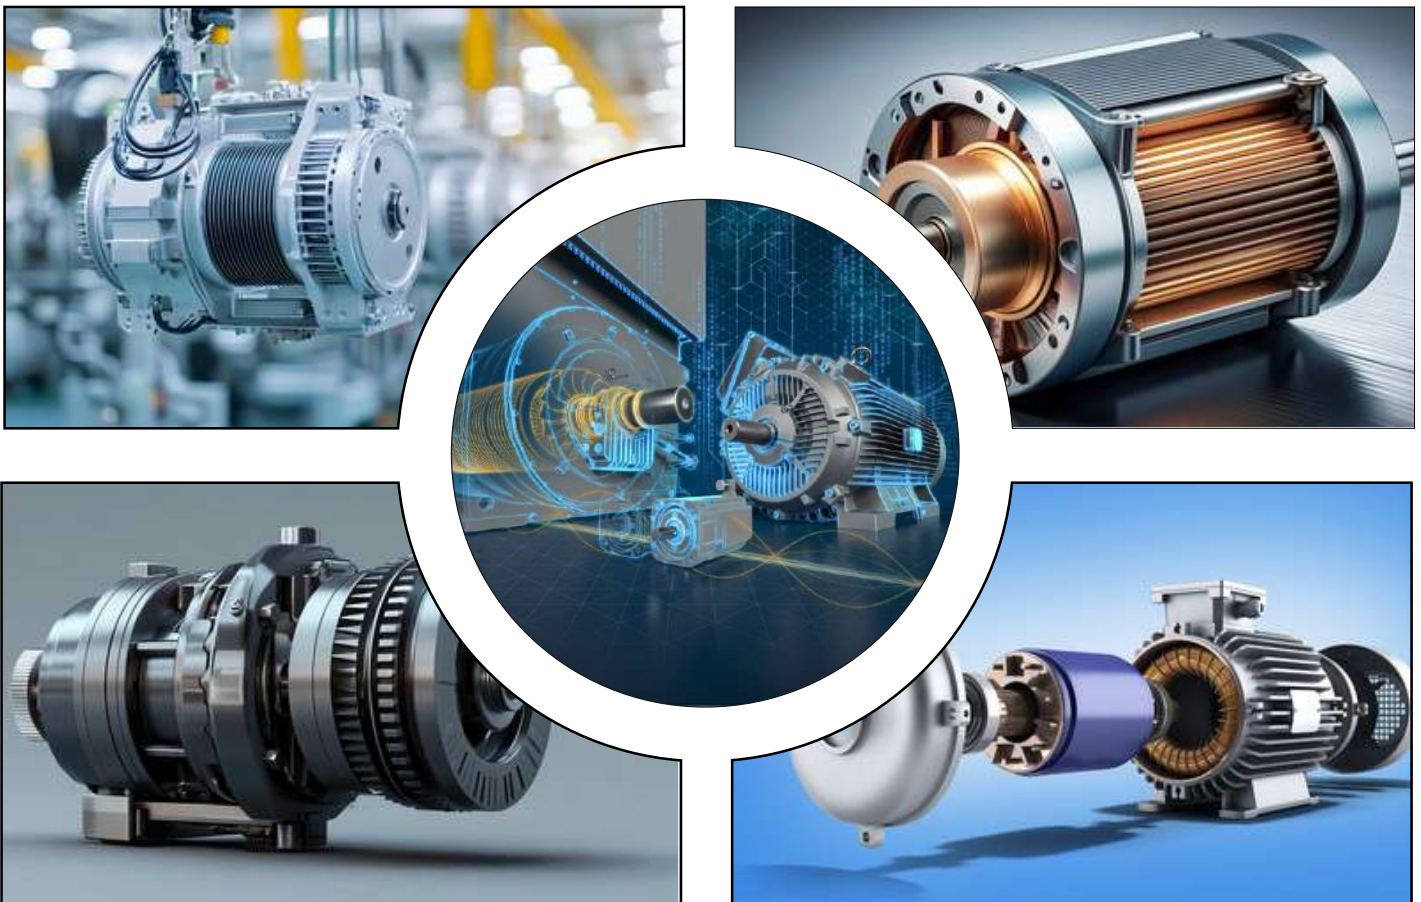

- » Solar Pumps
- » Submersible Pumps
- » Sump Pumps
- » Transfer Pumps
- » Trash Pumps
- » Vacuum Pumps

MOTORS

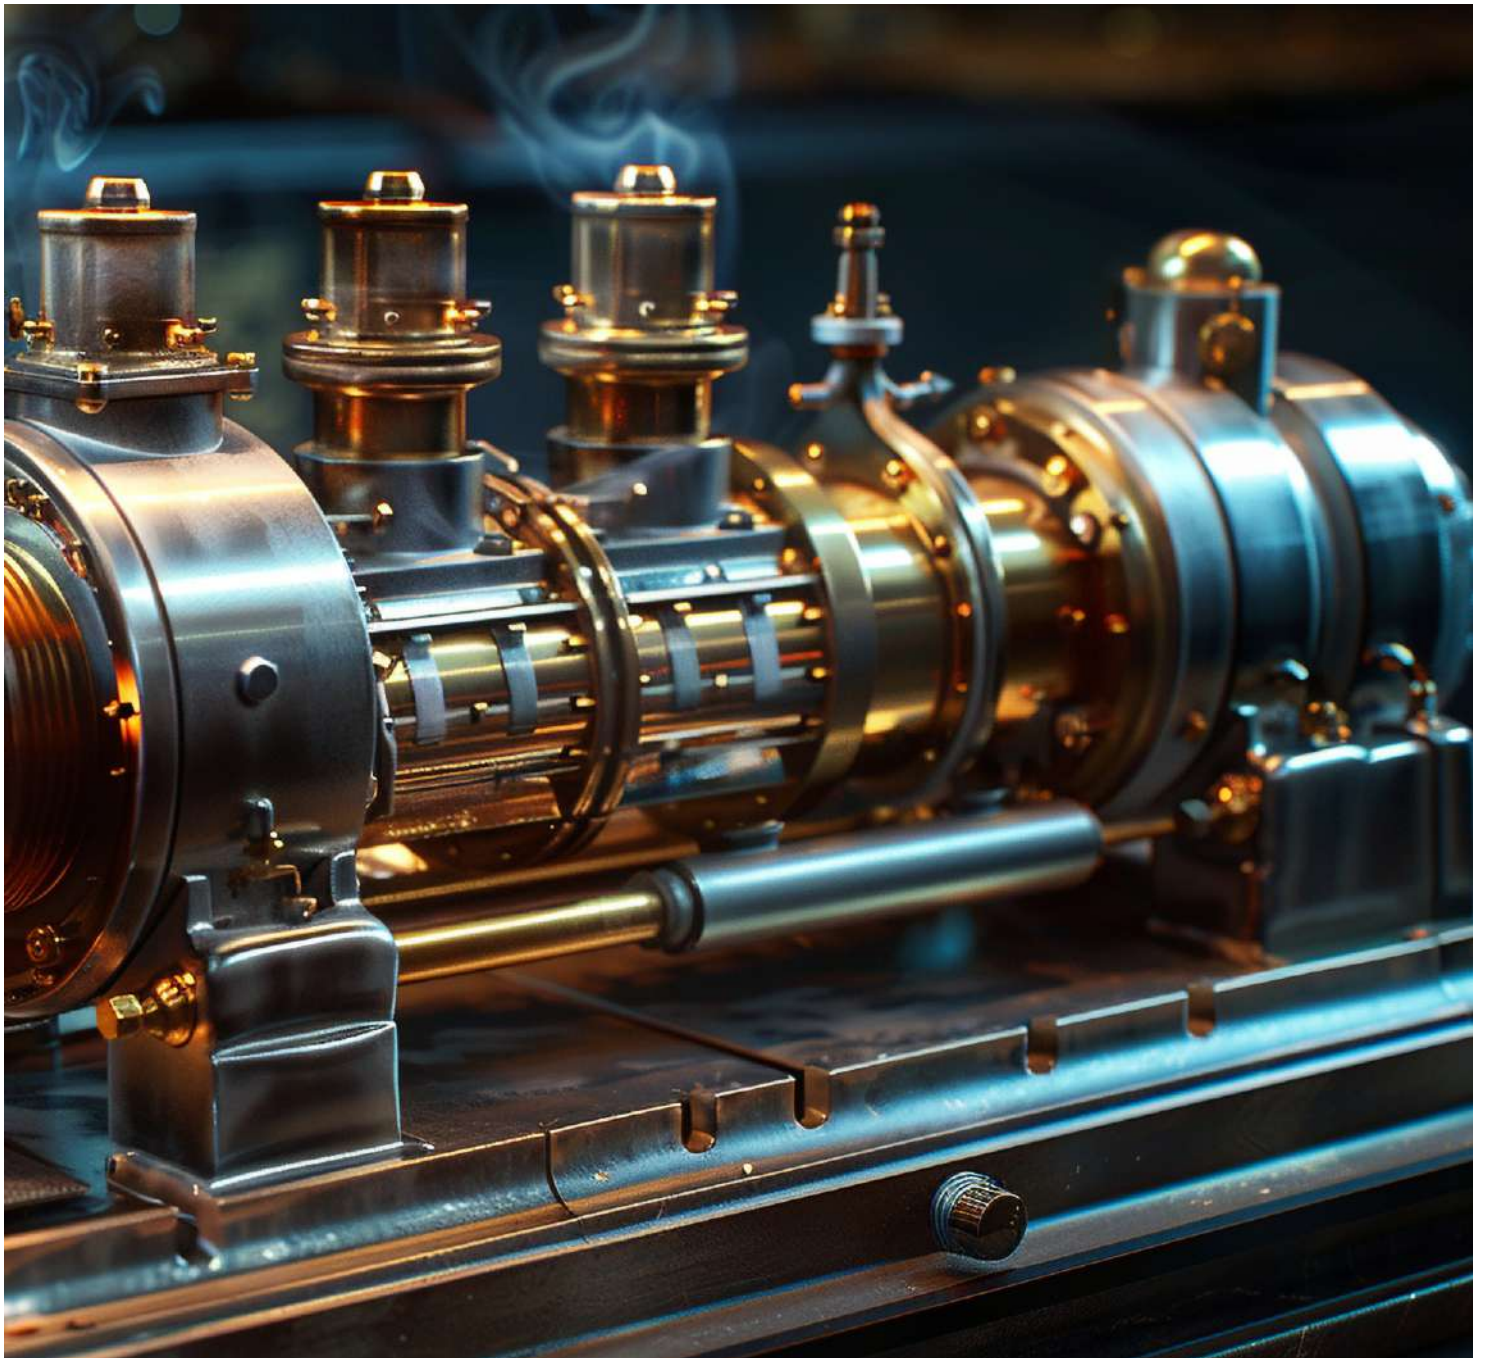

At Apex Technical Supplies, we specialize in delivering high-quality motors engineered for performance, durability, and precision. Whether you're powering industrial machinery, automation systems, or specialized equipment, our extensive range of motors—including AC, DC, stepper, and servo models—ensures a solution tailored to your exact requirements.

We pride ourselves on providing reliable, energy-efficient products backed by expert support and fast, dependable delivery. Partner with Apex and experience the difference that quality and expertise can make.

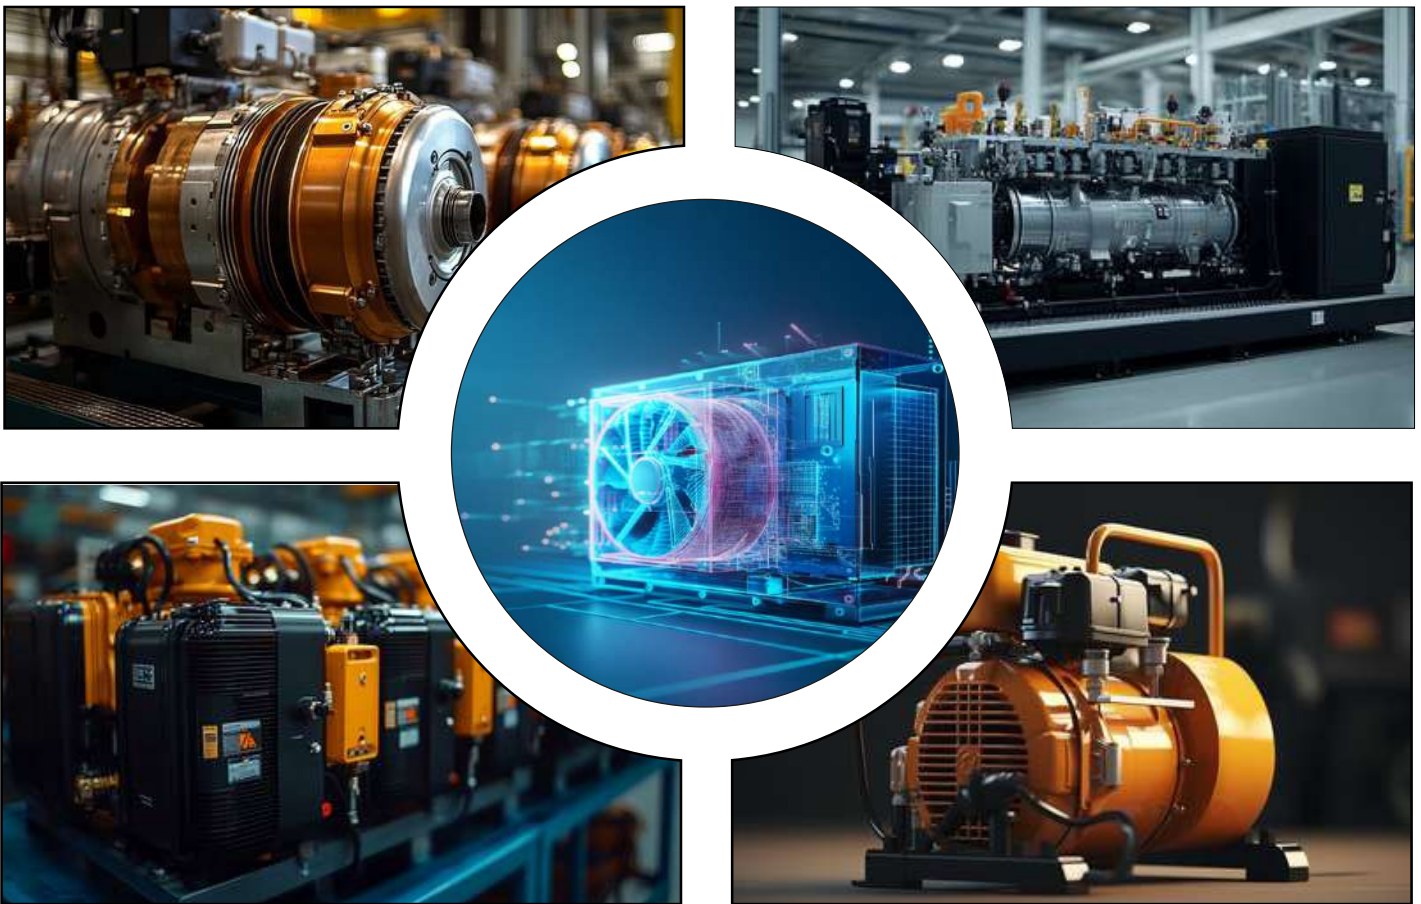

- ▶ **DC & AC Motors**
- ▶ **DC Shunt Motors**
- ▶ **Gearboxes & Gear Motors**
- ▶ **Helical Geared Motors**
- ▶ **3 Phase Synchronous Motor**
- ▶ **Squirrel Cage Induction Motor**
- ▶ **Slip Ring Induction Motor**
- ▶ **Brushless DC Motor**
- ▶ **Motor Spare Parts & Components**
- ▶ **ATEX/Explosion Proof Motors**
- ▶ **Belt Drive Motors**
- ▶ **Vertical Motors**

COMPRESSORS

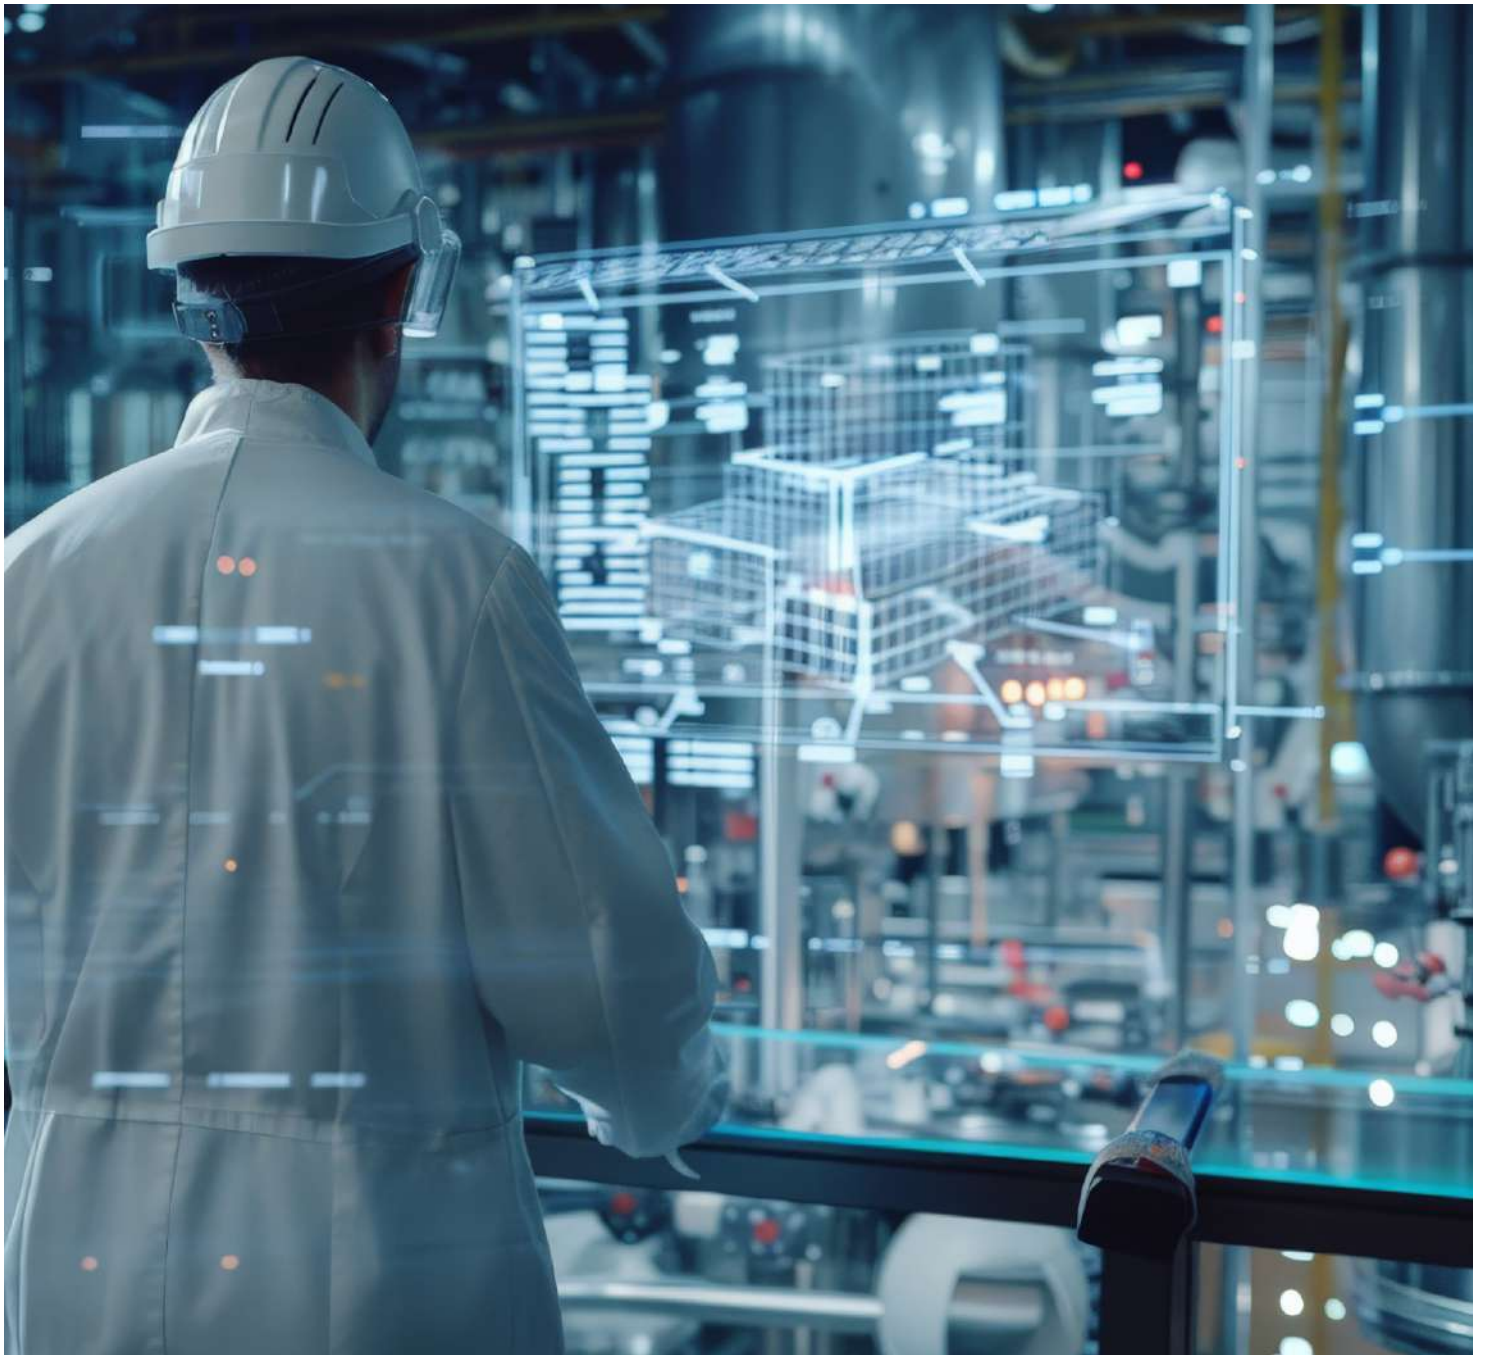

At Apex Technical Supplies, we are committed to providing reliable, high-performance compressor systems that power industrial operations across a wide range of sectors. With years of experience in the field, our focus remains on quality, efficiency, and customer satisfaction.

We offer a complete lineup of compressors engineered to meet the specific demands of modern industry—from precision manufacturing to heavy-duty construction. Our solutions are designed to optimize energy use, reduce downtime, and ensure long-term operational reliability.

- ▶ **Rotary Screw Compressors**
- ▶ **Rotary Vane Compressors**
- ▶ **Dynamic Compressors**
- ▶ **Positive Displacement Compressors**
- ▶ **Reciprocating (Piston) Compressors**
- ▶ **Centrifugal Compressors**
- ▶ **Axial Compressors**
- ▶ **Scroll Compressors**
- ▶ **Diaphragm Compressors**
- ▶ **Lobe Compressors (Roots Blower)**

INSTRUMENTATION

At Apex Technical Supplies, we are dedicated to supplying precision-engineered, reliable instrumentation solutions tailored for the oil and gas sector—both onshore and offshore.

Our Solutions Include:

- Pressure Sensors & Transmitters
- Temperature Transmitters
- Flow Meters (Coriolis, Ultrasonic, Differential Pressure)
- Process Control Systems & Accessories
- Level Gauges & Switches

All products are built for performance in harsh and hazardous environments, with ATEX, IECEx, and other leading certifications to ensure compliance and safety.

Smart. Connected. Reliable.

Apex supports your transition to digital operations with IIoT-ready instrumentation, enabling:

- Real-time monitoring
- Predictive maintenance
- Remote diagnostics
- Enhanced operational visibility

Whether you're involved in exploration, production, pipeline transport, or refining, Apex delivers the technology and support you need to keep operations safe, efficient, and compliant.

- | | | |
|-----------------------------|-------------------------|------------------------------|
| ➤ Pressure Gauge | ➤ Thermocouples | ➤ Float & Submersible Levels |
| ➤ Air Velocity Meters | ➤ Diaphragm Seals | ➤ Pressure Transmitter |
| ➤ Flow Meters & Controllers | ➤ Analytical Instrument | ➤ Data Recorders |
| ➤ Temperature Transmitters | ➤ Electric Actuators | ➤ Indicators & Displays |

LUBRICANTS |

When performance matters, professionals turn to Apex Technical Supplies. Our high-quality lubricants are specially formulated to deliver unmatched protection, optimal efficiency, and long-lasting reliability—even under extreme conditions.

Whether you're running high-performance engines, industrial machinery, or heavy-duty equipment, Apex lubricants ensure smooth operation and maximum uptime. With advanced additive technology and rigorous quality control, our products exceed industry standards for friction reduction, wear resistance, and thermal stability.

Trust Apex to power your operations with the lubricants that go the distance. Performance starts here.

- ▶ Oil-Based Lubricants
- ▶ Greases
- ▶ Solid Lubricants
- ▶ Semi-Solid / Paste Lubricants
- ▶ Engine Lubricants
- ▶ Gear & Transmission Lubricants

- ▶ Hydraulic Fluids
- ▶ Compressor Lubricants
- ▶ Food-Grade Lubricants
- ▶ Marine Lubricants
- ▶ Specialty Lubricants
- ▶ Aviation Lubricants

POWER TOOLS |

At Apex Technical Supplies, we believe that great work starts with the right tools. Our line of professional-grade power tools delivers the precision, reliability, and rugged durability demanded by today's tradespeople, technicians, and industrial users.

Whether you're on the job site, in the workshop, or out in the field, Apex tools are designed to help you work faster, smarter, and safer—day in and day out.

Apex Technical Supplies delivers power tools you can trust — for the results you demand.

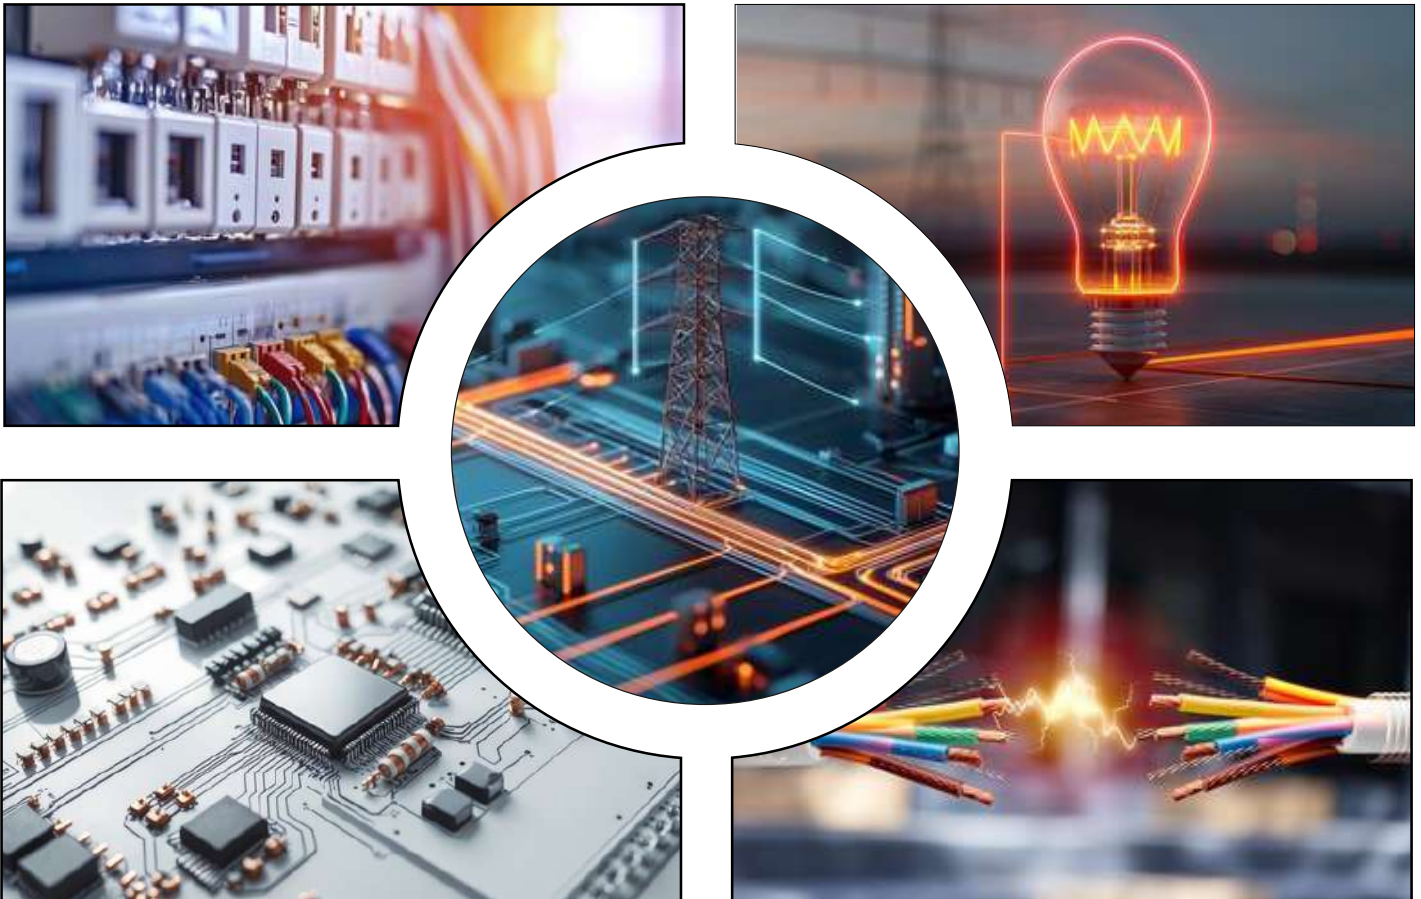

- ▶ **Drilling & Fastening Tools**
- ▶ **Cutting Tools Sanding**
- ▶ **Grinding & Finishing Tools**
- ▶ **Demolition & Concrete Tools**
- ▶ **Pneumatic (Air-Powered) Tools**
- ▶ **Cleaning & Utility Tools**
- ▶ **Cordless Tool Systems**
- ▶ **Specialized & Industry-Specific Tools**

ELECTRICALS

At Apex Technical Supplies, we deliver more than just components — we provide electrical confidence. Our range of high-quality electrical products is engineered for safety, efficiency, and long-term reliability, helping professionals meet the demands of modern power systems and installations.

From low-voltage wiring to industrial control panels, every product in the Apex electrical line is tested to ensure compliance, compatibility, and performance in even the most demanding environments.

Apex Technical Supplies offers a full spectrum of premium electrical products engineered to perform in the harshest environments. Apex is the trusted partner for contractors, developers, and industrial operators across the Middle East.

Whether you're building commercial infrastructure, outfitting residential towers, or maintaining critical facilities, Apex delivers safe, certified, and scalable electrical solutions for every application.

- ▶ **Wiring & Cabling**
- ▶ **Electrical Panels & Enclosures**
- ▶ **Lighting & Fixtures**
- ▶ **Control & Automation Devices**
- ▶ **Power Backup & Energy Systems**
- ▶ **Switchgear & Circuit Protection**
- ▶ **Electrical Accessories & Consumables**
- ▶ **Industrial and Specialized Components**
- ▶ **Communication & Safety Systems**

PPE |

Apex Technical Supplies provides a comprehensive range of PPE solutions engineered to ensure safety, compliance, and comfort across high-risk environments. Our products are tailored to meet the specific needs of sectors such as construction, oil & gas, and industrial manufacturing.

- ▶ Hearing protection
- ▶ High-visibility vests & apparel
- ▶ Flame-resistant clothing
- ▶ Safety gloves (chemical-resistant, cut-resistant, thermal, etc.)
- ▶ Respiratory protection (masks, filters, and respirators)
- ▶ Safety footwear (steel toe, slip-resistant, heat-resistant)
- ▶ Fall protection equipment (harnesses, lanyards, lifelines)
- ▶ Safety helmets & face shields
- ▶ Protective eyewear & goggles

We partner with leading global manufacturers and distributors to ensure every product we supply meets international safety standards and delivers exceptional reliability in the field.

MATERIAL HANDLING EQUIPMENT |

Material Handling Equipment

AP_EX
TECHNICAL SUPPLIES

At Apex Technical Supplies, we specialize in delivering high-quality material handling equipment designed to keep your operations moving efficiently and safely. Whether you're managing a warehouse, manufacturing plant, or distribution center, Apex provides the reliable equipment you need to streamline your workflow, reduce downtime, and maximize productivity.

When it comes to lifting & rigging the equipment that you choose is important. Our full line of lifting & rigging equipment offers the solutions you need no matter what the job requires. From blocks, capstan hoists, and haul systems to pulling rope, shackles, and slings we've got you covered no matter the situation.

Maximize uptime, ensure safety, and boost efficiency — all with Apex by your side.

Trust Apex — where quality meets performance

- ▶ **Hoists**
- ▶ **Winches**
- ▶ **Hydraulic Jacks & Lifting Cylinders**
- ▶ **Slings**
- ▶ **Shackles**
- ▶ **Hooks & Turnbuckles**
- ▶ **Lifting Beams and Spreader Bars**
